MFCU VISA

Go Forward Responsibly

You may have noticed the media hype in the recent months about credit card practices needing to change to protect consumers. We want you to know that we are not scrambling to make changes to our credit card practices because from the beginning we have always put your best interest first. We've offered you the proposed changes all along. We teach people how to take control of their finances and it's something that we will continue to do after these uncertain times have passed.

We live in a new era of thinking, acting, and spending more carefully. More thoughtfully. More responsibly. Today is the day that you go forward, responsibly, with a VISA from Members First Credit Union.

Let's face it there isn't as many zero percent credit card rates out there anymore and there's not as many places to transfer your balance to. We welcome your balance transfers from other cards so you can go forward responsibly. Today.

Your advantages:

- 6.9% APR introductory rate
- Scorecard Rewards or Cash back options
- Credit lines up to \$20,000
- Fraud protection
- No annual fee
- No hidden fees
- 1 page application
- No sudden rate hikes
- Plain language in plain sight
- Competitive rates

We welcome your balance transfers. Check it out for yourself – Apply online at mfcu.net or by phone 24/7 at 888.835.5151

Inactive and Closed Debit and ATM Cards to be Deleted

We have quite a few inactive and previously closed Debit and ATM cards being maintained on our system. In order to ensure the financial security of our members and reduce costs at the credit union, we will be closing and deleting the cards from our system. Most members will not notice that we have taken these steps since the cards are out of date and not being used. Feel free to contact us if you have concerns at 888-835-5151.
