Secure + Convenient + Rewarding = One Awesome VISA®

The MFCU Business Visa is perfect for every day purchases, needed supplies, and tracking cardholder spending. If you already have one, thanks! We appreciate you participating in the cooperative you're a part of.

If you're in the market for a new credit card, we have three options for you. If you think an MFCU Visa is right for you, stop in to see your local branch manager.

SWIPE CONFIDENTLY

Your new MFCU Visa has an EMV chip for enhanced security when you use chip-enabled terminals.

At retailers who have EMV chip enabled terminals, follow these steps to use your new card. If they aren't ready for chip cards, simply swipe your card like you're used to doing.

Insert the chip end of the card into the terminal.

Keep your card in the terminal and follow the prompts.

Remove your card when prompted.

SPEND PROUDLY

Be proud to use a card that comes from the same place you do. Your MFCU Visa isn't from a big bank, it's from a cooperative you're a part of.

Plus, you could win a \$250 for using your MFCU VISA! Check out mfcu.net for details in mid-October!
