Build A Thankful Tree!

WHAT YOU'LL NEED:

- A small branch
- Construction paper
- A glue gun
- A small pot or jar
- Rocks

HOW TO BUILD IT:

1. Put the branch into the pot/jar and place rocks around it to steady it.
2. Cut out some simple leaf shapes from the colors of paper you chose.
3. Talk with your parents about what you are thankful for, and write one down on each leaf.
4. Have your parents help you with attaching each leaf to a branch using the glue gun.
5. Let it dry and now you have a Thankful Tree!
