

Quicken for Mac Conversion Instructions

Quicken for Mac 2005-2007

Web Connect

Introduction

As **Members First Credit Union** completes its Online Banking conversion you will need to modify your Quicken settings to ensure the smooth transition of your data. To complete these instructions, you will need your Login ID and Password for the website.

It is important that you perform the following instructions exactly as described and in the order presented. If you do not, your service may stop functioning properly. This conversion should take 15–30 minutes.

NOTE: This update is time sensitive and can be completed on or after **08/19/2013**.

Documentation and Procedures

Task 1: Conversion Preparation

1. Backup your data file. For instructions to back up your data file, choose **Help** menu > **Search**. Search for **Backing Up**, select "**Backing Up Your Data**," and follow the instructions.
